**REQUEST FOR ENTRANCE OF CERTIFICATE OF CORRECTION**  
**UNDER 35 U.S.C. §254 and §255**

Sir/Madam:

Patentee respectfully requests correction of the following errors made by the Patent Office in the printing of the above-captioned patent.

On the title page, item (75) should be corrected to reflect the correct name order for Joachim Schorr (instead of Schorr Joachim). In addition, the address for Joachim Schorr should be corrected to reflect the country code (DE) for Germany (instead of reading DE (US)). This information was correct on the filing receipt mailed on February 6, 2003. However, errors were introduced in the printing of the patent. Accordingly, item (75) should read as follows:

Arthur M. Krieg, Wellesley, MA (US); Heather L. Davis, Ottawa (CA); Tong Wu, Hull (CA);  
Joachim Schorr, Hilden (DE).

Additionally, claim 1 has a typographical error. In column 89, line 55, "CyG" should be replaced with "CpG". The correct "CpG" was recited in the Amendment submitted to the Patent Office on October 10, 2003.

Accordingly, Patentee points out that the corrections requested do not involve changes in the patent that would constitute new matter or would require reexamination, and therefore, respectfully requests that a certificate of correction be issued. Since the errors were made by the Patent Office, it is respectfully submitted that no fee is due. However, if the Examiner deems a fee necessary, the fee may be charged to Deposit Account No. 23/2825. Should any questions arise concerning the foregoing, please contact the undersigned at the telephone number listed below.

For the reasons stated above, Patentee respectfully requests entrance of the enclosed Certificate of Correction.

Respectfully submitted,  
**Krieg, et al., Patentee**
